

Dear students & parents,

We're so excited to continue our relationship with Generate Camps by YM360 and we're looking forward to another amazing year at camp! Please pay attention to the information in this packet to help students and parents alike prepare for this week. This packet contains a Waiver & Release, a medical release form, a packing list, and a daily schedule. The Waiver & Release and medical release need to be filled out and returned prior to leaving; the Waiver & Release **MUST BE** notarized.

We will be heading back to East Texas Baptist University in Marshall, TX so we'll be leaving CrossRoads at 8:30 am on June 3rd so please arrive by 8:00 so that we can load up and begin our trip. You'll need money for two meals while traveling, one going and one coming home. Any snacks you want can be purchased on stops or bring them with you. Generate merchandise is also available for purchase but isn't required.

We always have three goals for our students while at camp: we want them to connect with God on a deeper level, connect with each other, and we want them to be safe. They will be given many opportunities to connect with God and each other throughout the week. As far as their safety, we have an amazing team of adults at camp to help keep an eye on our students, but the students are expected to follow the rules we've given them. Some of these rules are: staying in groups while moving about campus, not being out after curfew, and being where they're supposed to be when they're supposed to be there. Parents, if your student habitually breaks the rules or becomes a concern for their or others safety, we will require you to come get them from camp.

Students are allowed to bring their cell phones however there will be many times students won't be allowed to use them. While phones are great resources they can also be massive distractions. If you need to reach your student while we are at camp, feel free to call or text them and they will call back at their first available moment. In the event of emergency, please contact me at my number listed below. If you have any questions or concerns in the mean time, please don't hesitate to contact me at the info below.

Parents, thanks so much for trusting us with your student and we are looking forward to an incredible week of fun and growing!

With much love and respect,

Eric D. Foshee
Student Pastor
